

HD Channels**

Between July 14 and July 16, we're removing the duplicate HD programming from the 600s, 700s and 800s since you already automatically get these channels in high definition at the standard channel position. Not sure of the standard channel position? Press GUIDE on your remote to search the channel guide or visit optimum.net/lineup.

* Not all channels available in HD.

** CableCARD customers will continue to view HD programming in the 600-800s.

A subscription to Broadcast Basic with a digital cable box, CableCARD or QAM tuner is needed for all TV services. Programming subject to change or discontinuance. Customers with QAM tuners will receive some channels on non-standard channel positions. On Demand and Premium Channels are not available to commercial customers. All HD channels require an HDTV. Channel availability depends on level of service and equipment. Channel locations subject to change. Visit optimum.net for the most current channel listings.
